PREFACE

"Gone are the days when our hearts were young and gay.

Gone are my friends from Lincoln High away.

Gone from the halls that we all did know so well,

I miss their laughing voices and the old school bell."

Our school inspired a songster of twenty-five years ago to write, "and surely we'll not forget her when at last we all must go." Down through the years those words, so many times repeated, have brought tears to the eyes of every senior as he has approached the end of his student days at Lincoln. He will always remember his friends; the good times that made the walls ring with laughter and fun; he will remember the sad times when his teachers and his principal or his parents frowned.

Memories of high school are mixed — there is joy and there is sorrow, but problems and complexities never slow down or confuse us teenagers — we can answer anything. And twenty years from graduation day when we page through our annual with a whimsical smile, that smile will broaden as we remember how we considered ourselves equal to any occasion, and all because our "Hearts were young and gay."

In Memoriam

LOWELL P. GOODRICH

Superintendent Lowell P. Goodrich died on Tuesday, March 29 of this year. Head of the Milwaukee schools since 1943, he was educated in the Ripon schools; he took his undergraduate work at Ripon College, and did graduate work at the University of Wisconsin where he received his master's degree. Other graduate work in education was done at Harvard and Columbia Universities.

Mr. Goodrich had a positive, sincere belief in education for every child who was entered into the public schools. He emphasized numberless times that the role of the high school was not only preparing students for college, but training all students for life; he believed they should be steered in the paths of useful citizenship. He had the welfare of the school child always uppermost in his considerations, and for that he earned the respect of the community.

In Memoriam

MR. JOSEPH H. BAKER

Mr. Joseph H. Baker, first principal of Lincoln High School, died November 15, 1948. Memorial services were held for Mr. Baker in the Lincoln High School Library on November 19, 1948. At the ceremony, attended by members of the faculty and by many former Lincolmites, Mr. Baker's portrait was unveiled.

Mr. Baker was born in Stevens Point and attended Stevens Point Normal School and the University of Wisconsin. He taught at a Madison High School and at Merrill, Wisconsin. He taught physics at the old East Division High School before he became principal of Lincoln High School when it moved into the old East High building in 1920.

He became principal of Sharon High School after he left Milwaukee. Following his retirement as high school principal, he became school board clerk and village board president.

Mr. Baker's unselfishness and integrity account for the fact that he was admired by all who knew him. He will long be remembered by the alumni and teachers who had the honor of associating with him.

Miss McQueeney
Miss Zenk

Mrs. McNally
Miss Reynolds

MRS. MAUD McNALLY

One of Lincoln's former English teachers, Mrs. Maud McNally, died in August 1948. She was a graduate of Monticello Seminary at Godfrey, Illinois, and did post graduate work at Marquette, the University of Wisconsin Extension, Northwestern in Chicago, and at Columbia.

MISS FRIEDA R. REYNOLDS

Miss Frieda R. Reynolds, retired head of the English department at Lincoln High, died February 16, 1949, after a long illness. She attended Milwaukee Downer College and was graduated from the University of Michigan; she took postgraduate courses at Columbia University. Throughout her years of service she was an inspiration and friend to all of the people who worked with her.

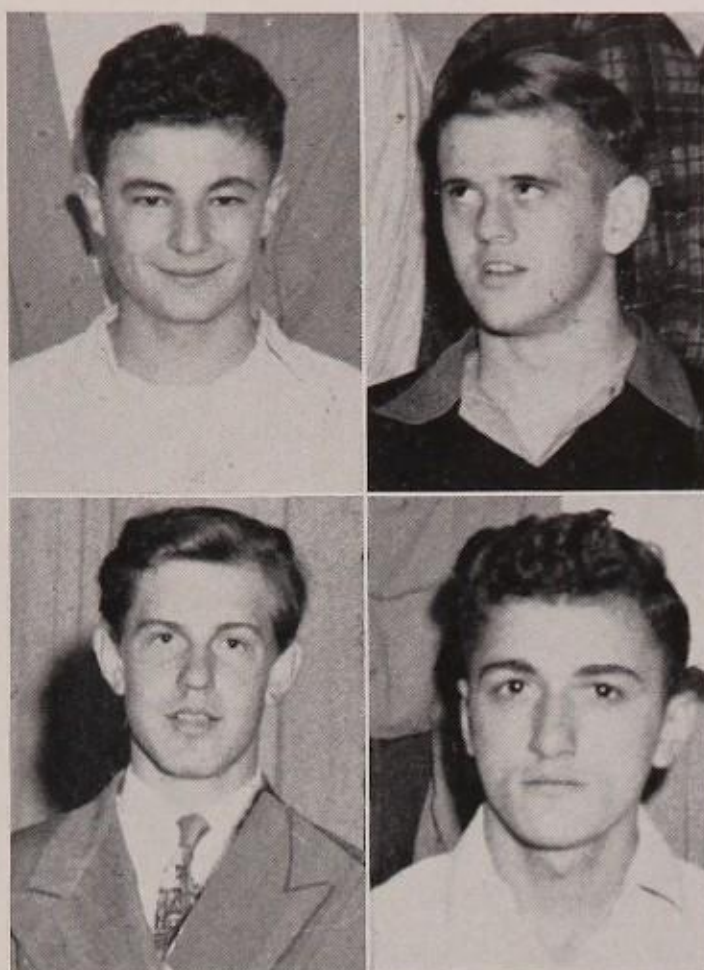

MISS MABEL McQUEENEY

Miss Mabel McQueeney, a former teacher of Lincoln High School, died Tuesday, October 19, 1948. Miss McQueeney, a graduate of Milwaukee State Teachers College, taught for two years in Two Rivers, Wisconsin, and Kenosha, Wisconsin.

MISS MARTHA ZENK

Miss Martha Zenk, one of our outstanding teachers who had been with our school since 1920, died in Eureka, South Dakota, at the home of her brother on Monday, October 25, 1948. Miss Zenk was dean of girls at Lincoln and taught in the mathematics department. She had a high regard for scholarship and was chairman of the Honor Society committee.

In Memoriam

Sam Baudo
James Knuth

Carol De Grand
Joseph Zappia

SAM BAUDO

Sam Baudo, born August 25, 1931 in Milwaukee, died October 8, 1948 at the age of 17 years. The tragic misfortune of accidental death brought grief to Sam's family and his friends.

He attended Palmer Street School, and later entered Cass Street School from which he entered Lincoln to follow the Elective Course. While at Lincoln, Sam was the manager of the basketball and football teams, and also a member of the Corridor Control.

He was jovial and carefree; and his face wreathed in smiles, he was a welcome guest wherever he went. He had many friends who were sorry to say a last goodbye at the funeral services held on October 11.

JAMES KNUTH

The accident of October 8, 1948 cut short the life of James Knuth at a time when his life should have just begun. However, for all those who once knew him, his personality is still present because his friends cannot forget.

James received his early training at the Cass Street School. He later attended Lincoln where he intended to graduate in January, 1950, from the Elective Course.

He took part in many school activities. He won his place on Varsity Football and Basketball Teams, and was also a member of the Corridor Control.

CAROL DeGRAND

Carol DeGrand, who had not yet reached the age of 18, was killed on October 8, 1948, in an unfortunate accident.

During his years at Lincoln he followed the Science Course, from which he would have graduated an honor student. He intended to graduate in January, 1949.

The boys and coaches on the football team will attest to Carol's spirit, loyalty, and willingness to "play the game"; however, his quiet disposition and dignified humor did not prevent him from being popular with his fellows, for Carol was known throughout the school as a boy who possessed outstanding qualities in his studies.

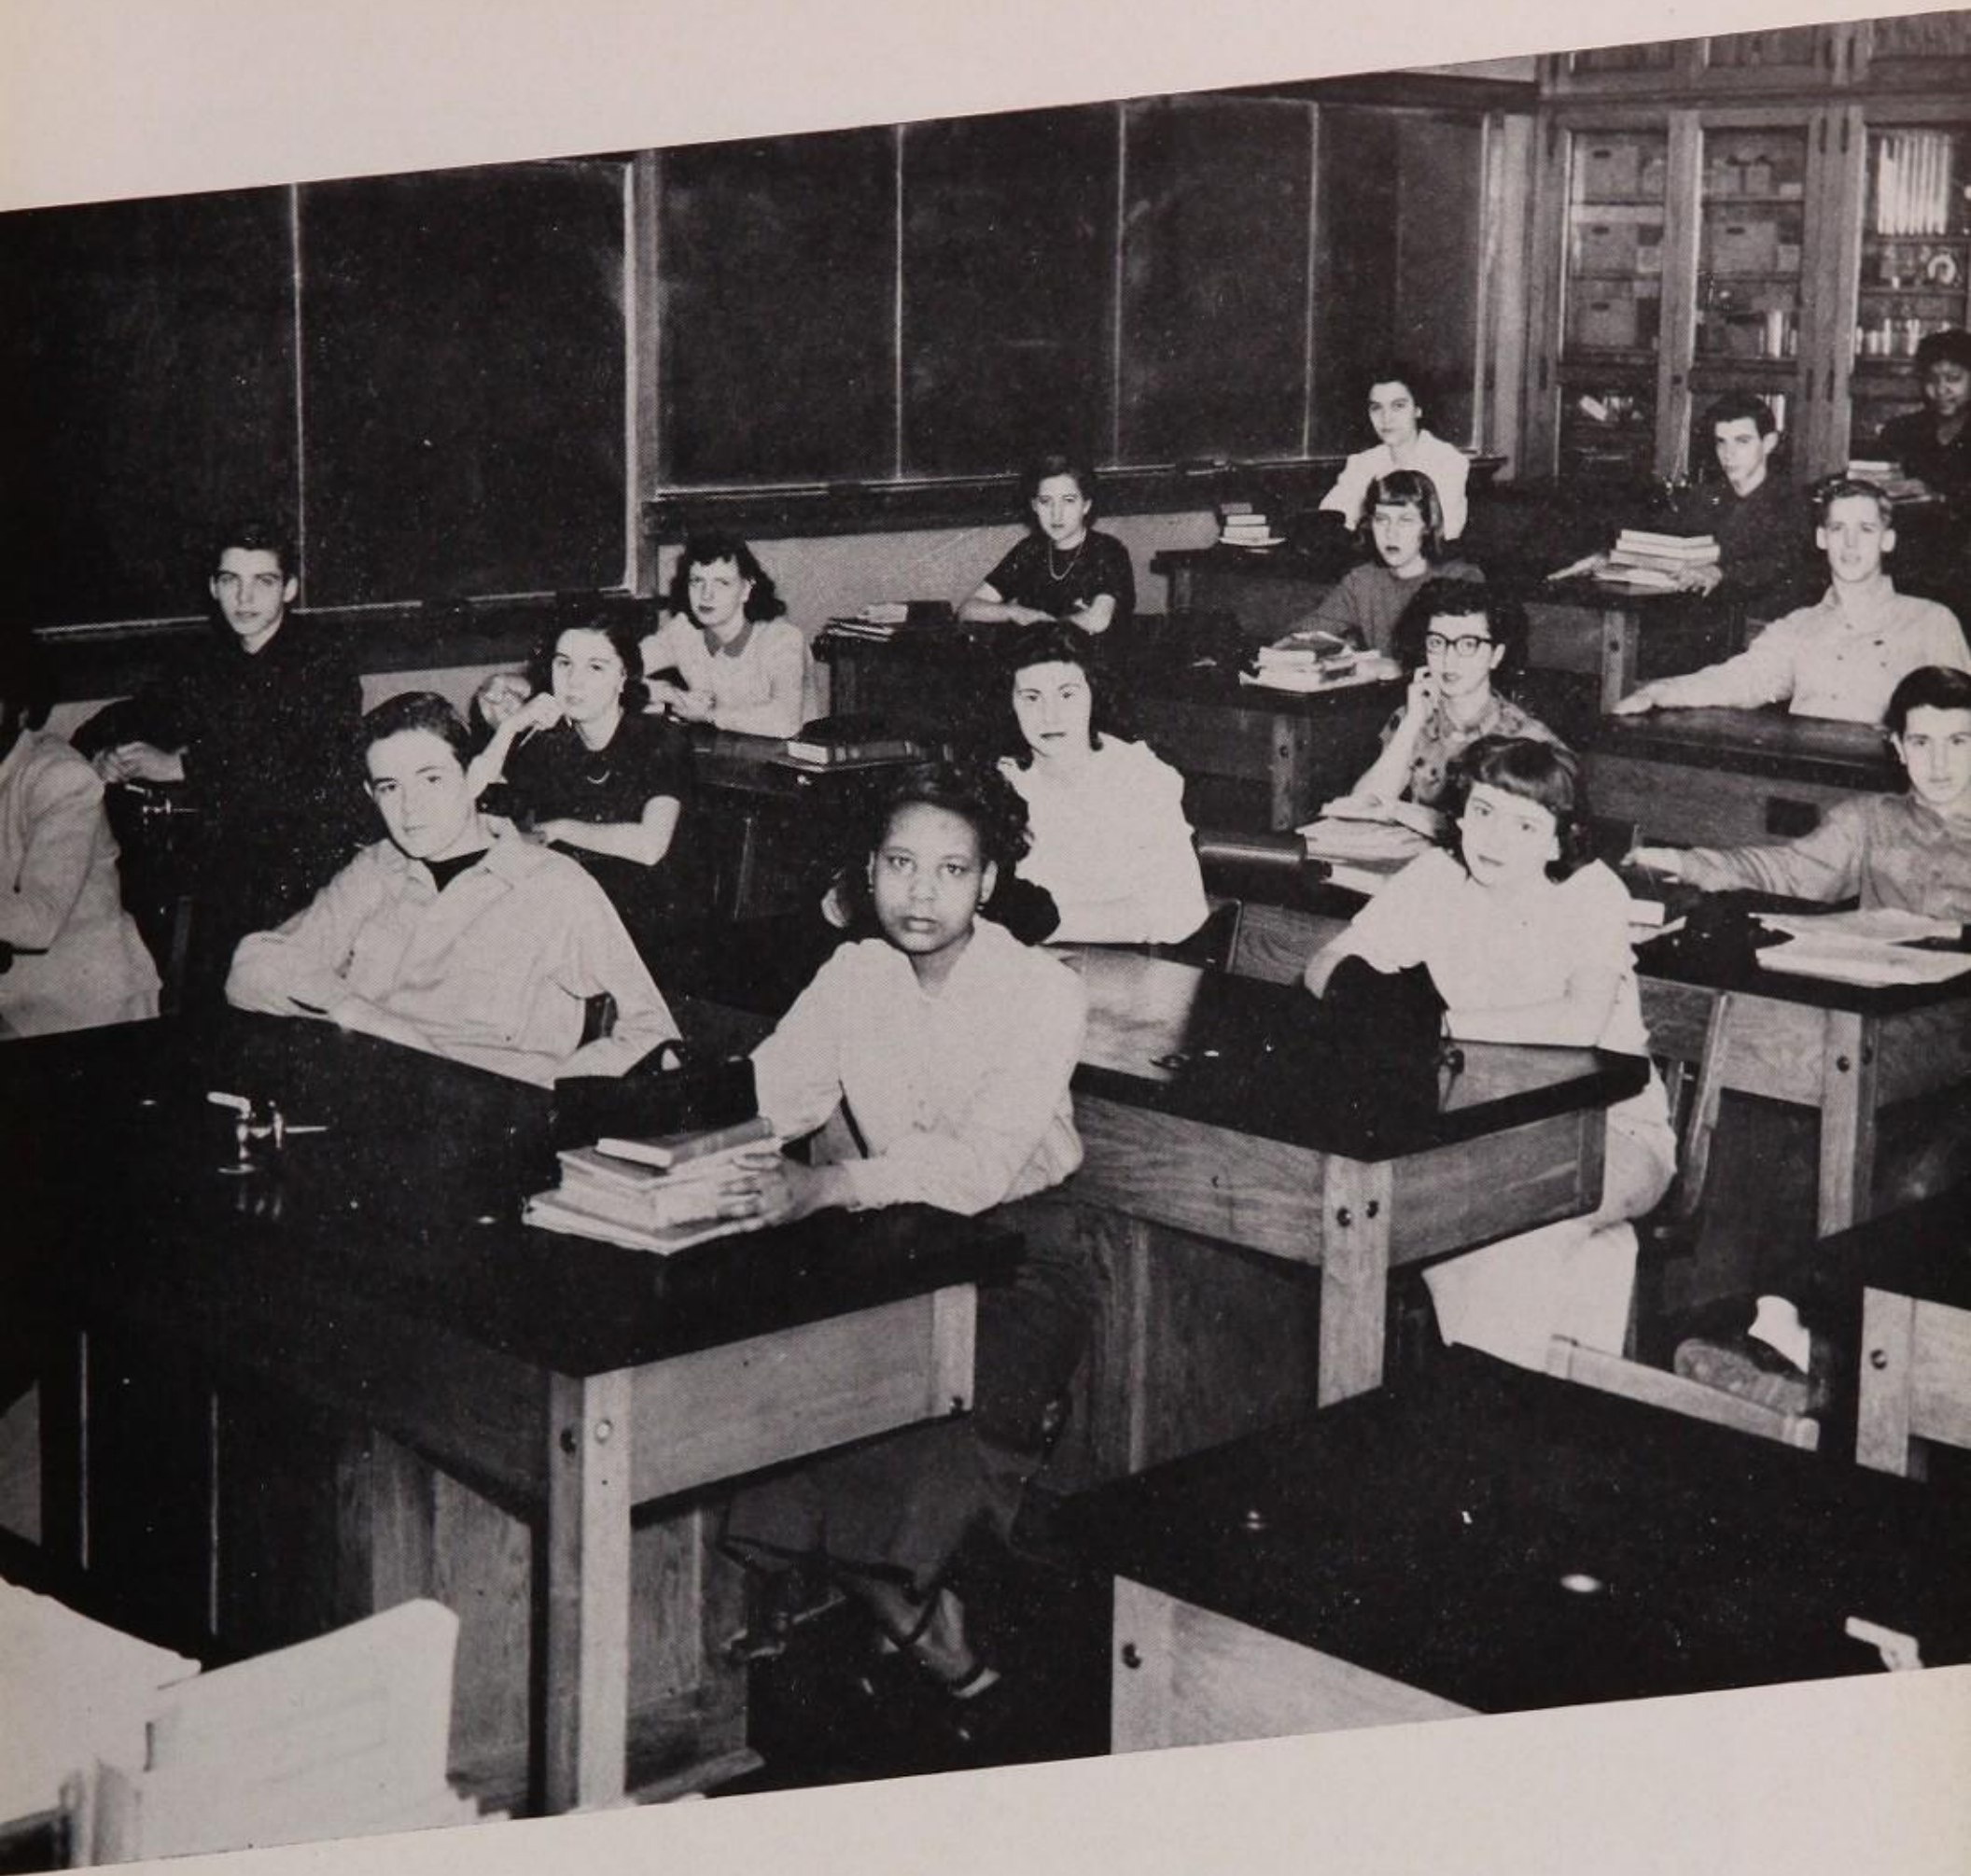

JOSEPH ZAPPIA

Joseph Zappia, a student of Lincoln High School, died on October 8, 1948. Memorial services were held for Joseph and his fellow classmates in the Lincoln Auditorium on October 14, 1948.

He was very active in school; he played basketball, football, and was assistant-sports editor of the Quill Annual. He played on the baseball and basketball teams at the Boys' Club.

Joe's curly hair, winning smile, and ability to work will linger in the memories of all those who knew him.

Student Council

The Student Council may well be called the "voice" of the students, for it is through the council that the pupils may give their ideas and opinions. At the meetings, with Mr. John Bussone as counselor, representatives discuss topics vital to the school and the students.

During the year, four members were sent to the state convention at Wauwatosa. With other representatives, they discussed matters with which all schools are concerned.

This year, as in the past, the Student Council sponsored a Thanksgiving Basket project. Each homeroom in the school collected food and placed it in baskets. These baskets were then delivered to needy families in this area in the hope of making their holiday brighter.

Those students who have hopes of becoming shining stars of the screen and radio can find some experience by joining Harlequin, Lincoln's dramatic society. This group, which is sponsored by Miss Boyle, aids students in learning to speak properly and to have poise before an audience.

Harlequin meets on Thursday, twice a month. At the meetings, members give humorous skits, monologues, and dramatic excerpts from the movies.

Pupils wishing to join Harlequin must first try out before the Stock Company. If they are accepted, they are initiated and become full-fledged members.

Although Harlequin did not present a senior play this year, many members participated in the city-wide School Centennial Pageant.

Follies of '49

The annual variety show put on by the students of Lincoln was presented April 1 and 2. Many weeks of preparation were needed to rehearse and select a cast from those who tried out.

The theme of this year's Follies was the "Showboat" in which elaborate costumes and settings were used.

As in the past, the Dance Band furnished the background and the music for the production. This organization is composed of students interested in popular music.

Several of the acts presented were instrumental solos, dancing, singing, novelty acts, and a modern dance group. Mary Ann Bruzina and Ross Serio were mistress and master of ceremonies. The student directors were Emily Barbeaux and Louis Bagozzi. Mr. Beduhn assisted Mrs. Mohr with the production.

The response of an enthusiastic audience was proof enough that the Follies was a success.

Service Club

Under the guidance of Mr. Blonien and Mr. Osterndorf, the Service Club has prospered and become one of the most active groups in school. It is one of the two oldest organizations at Lincoln.

To the boys of this organization goes the responsibility of controlling all school functions. It is a great honor to become a member of this group, for a boy must have the recommendation of one or more teachers. After a discussion of the boy's character, personality, and attitude, a unanimous vote of the group is necessary for the admittance of a new member.

German Club Chorus

The Karl Schurz Verein has developed a "new look" and now its members devote their time primarily to singing German songs. Advised by Miss Margaret Keeley, this group meets once a week.

Each year the students of the German Classes hold a Koffee Klatsch. Teachers and parents are invited and have an enjoyable time drinking coffee and eating cake. This year, the German Chorus added a special touch by singing familiar German songs at the gathering.

The chorus sang at the Christmas pageant held by the German Club of Milwaukee State Teachers' College. They were the only high school group included in the program and received quite a thrill from their experience.

The members of the Spanish Club are students who are seeking additional information about Central and South American countries. This club helps to promote friendship between the Americas. At the meetings the students discuss plays and programs which they wish to present as entertainment for the other clubs. The main social event of the year is the traditional Christmas party, when the Spanish club invites the Latin and German Clubs.

The Latin Club, under the supervision of Miss Mathews, is made up of Latin students who wish to gain more knowledge concerning the history and customs of ancient Rome. At the meetings, which are held twice a month, the members take part in preparing skits and plays dealing with the habits of the Romans. Latin songs are often sung and played at the meetings for entertainment. The club enables the members to get acquainted with other clubs at their Christmas party, which is the main event of the year.

Camera Service

One of the busiest organizations at Lincoln is Camera Service. Under the direction of Mr. Minerath, this group learns to develop, print, and enlarge pictures, besides learning new techniques in photography.

Camera Service is depended upon for many of the pictures in the annual and all of the pictures in the newspaper. Members of this group can be seen along the sidelines at football and basketball games taking shots of our team in action.

This year, Camera Service has a new project. It is to take moving pictures of activities and life at Lincoln. These movies will be shown to new students to help acquaint them with the school.

The Girl's Athletic Association is an outstanding activity for girls in grades nine to twelve. The purpose of this club is to promote physical culture among the girls, teach them to build clean, healthy bodies, and to form good health habits.

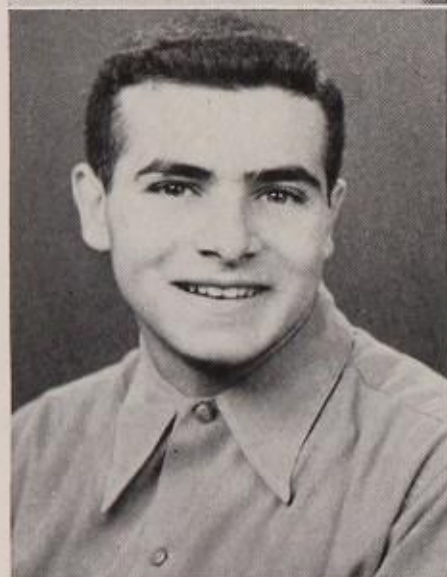

All members of the club have a chance to get ahead in competitive sports. The team sports offered are basketball, baseball,

and volley ball, while the individual sports include tennis, swimming, ping-pong, and badminton. Swimming, in which many girls participate, is held at the Andrew Jackson Natatorium every Thursday during the season.

Every girl receives points for each sport in which she participates, and when reaching the desired goal, is awarded a letter.

Each year the ambition of the Quill Newspaper staff is to publish a paper more interesting for the students than the one before. The Staff deserves more credit than we could possibly give them. The reporters work endlessly to collect gossip, interesting items, and important news which make our paper a success. All material must be approved before it is printed in the monthly editions of the paper.

The member contributing the greatest number of inches for the publication receives a bronze pin; the graduating editors receive a silver pin; the editor-in-chief receives a gold pin. In this small way the staff receive a reward for all their many hours of work; but the greatest reward for the staff is the satisfying reaction of the readers.

The A Cappella Choir, one of the largest musical organizations at Lincoln, is also one of the best in the city.

It is a distinct honor to become a member of this noted group. Try-outs for the choir are held near the end of each semester, and students having previous choir or chorus experience are eligible.

During the holiday season, the A Cappella Choir, directed by Mrs. Mohr, spreads joy by singing for many orphanages and private sanitariums. This year, the group sang in the Plankinton Arcade, and their voices were carried by loud-speaker to passers-by on the street.

Technos

A hard working group of boys with a great deal of responsibility is the Technos. Their activities are concerned with the school stage; and boys from grades nine to twelve may apply for a position on the stage crew. Guided by Mr. Mollica, these boys are in charge of all work on the stage.

As they work, they learn how to operate curtains and stage fixtures. With practice, many have become experienced in correct lighting arrangements. The Technos arrange all the scenery whenever a play, operetta, or special program is held in our auditorium. If students rehearse after school for any special event, the Technos stay and are usually the last ones to leave.

SPORTS

VARSITY FOOTBALL

Custer 14

Lincoln 7

Opening the season with a new team except for two regulars the Lincoln Comets put up a good fight but lost to Custer's more experienced squad. Gus Vergetis scored and converted.

Rufus King 14

Lincoln 7

Lincoln showed improvement over the previous game but could not keep the Generals from crossing its goal for two touchdowns. Snatching a pass from Vergetis, Cayo rang up the Comet's lone touchdown.

Lincoln 20

West 7

An inspired Lincoln eleven rolled over the West Red Men for its first triumph of the season. Cayo scored twice and Sykes once. Vergetis converted.

Lincoln 16

Bay View 9

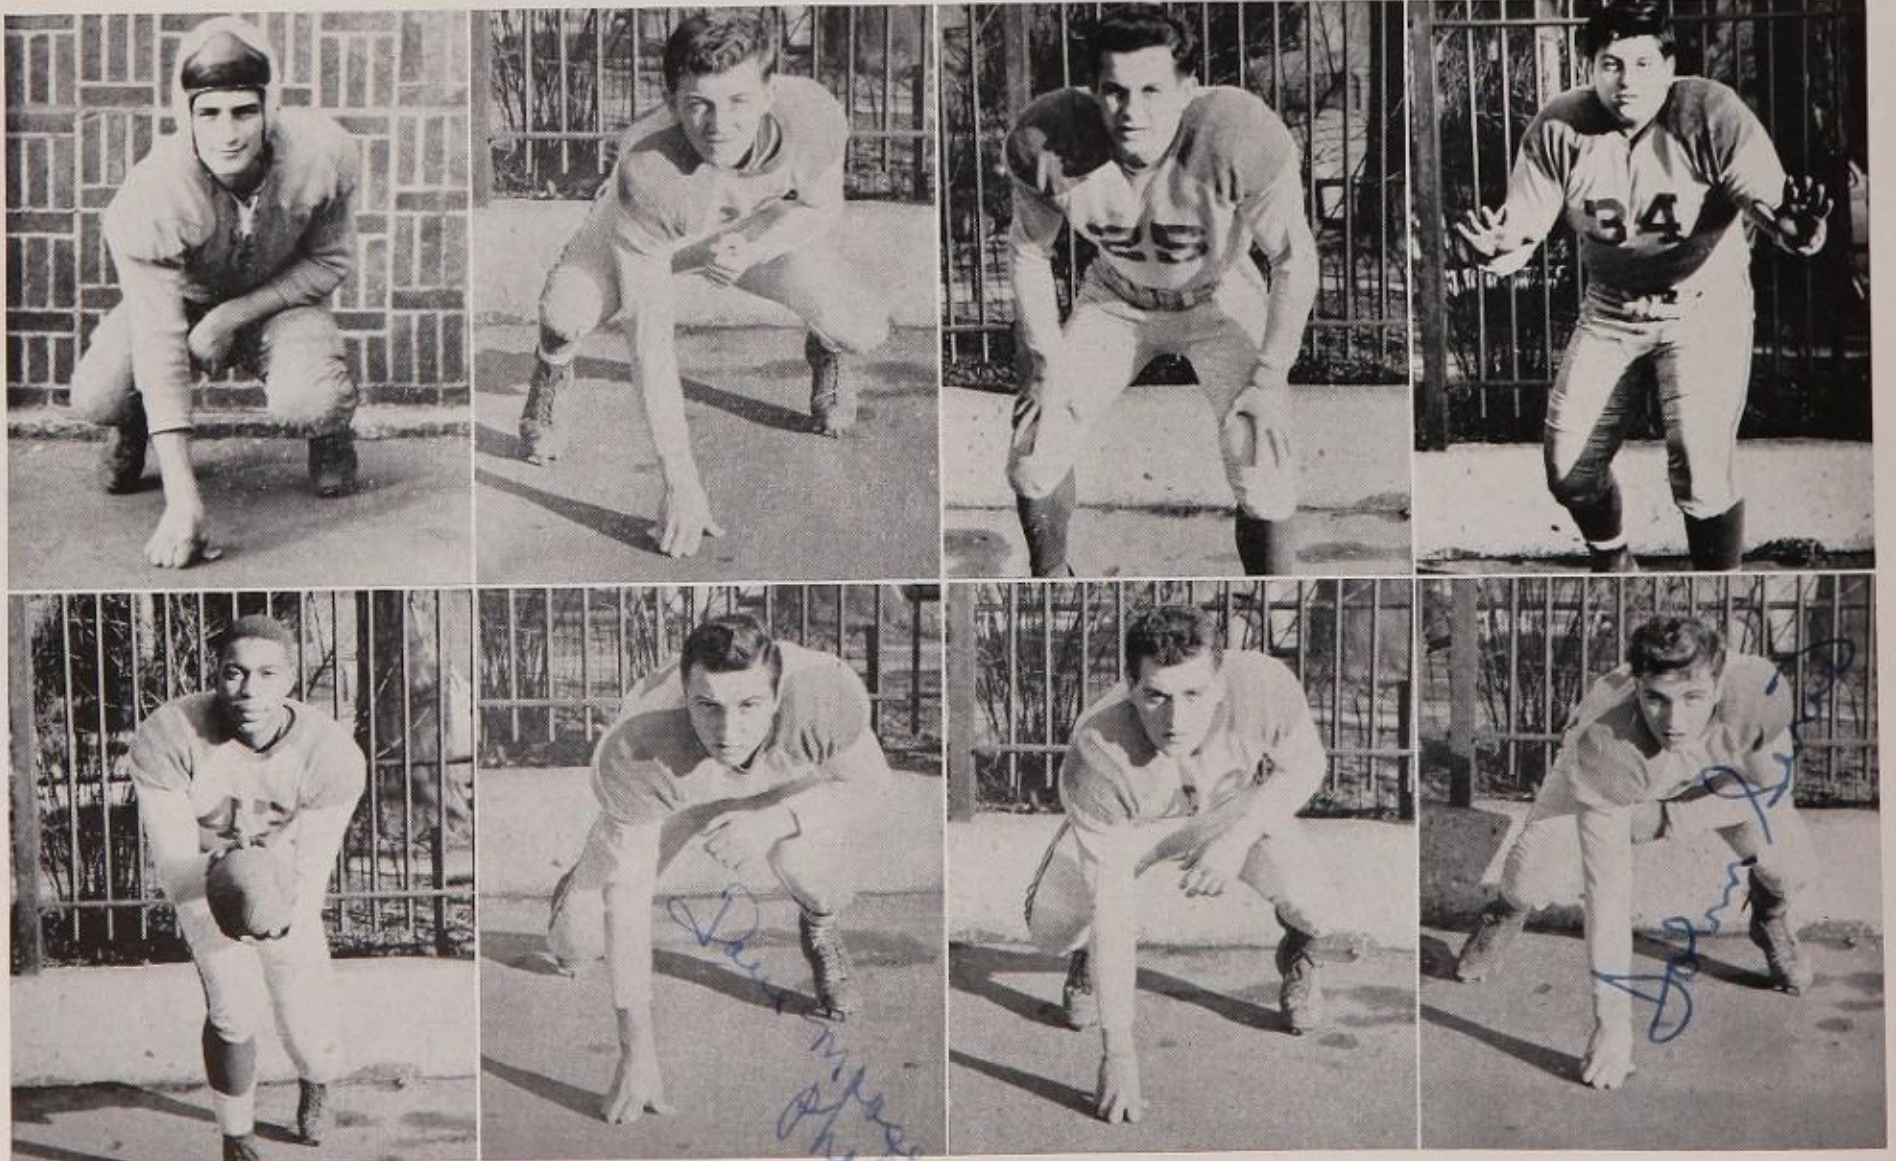

Lincoln earned the name of "Giant Killers" by consecutively defeating two top teams, West and Bay View. Touchdowns by Vergetis and Fehrman plus a field goal gave Lincoln a sure victory over the Bays.

LETTERMEN OF 1948

Washington 41

Lincoln 21

The Purgolders, fighting hard to remain in first place, had a real contest when they met Lincoln in this crucial high scoring game. Cayo scored twice and Wright once. Vergetis kicked all three of the extra points.

Riverside 13

Lincoln 7

Lincoln, the East side champions for two consecutive years, turned the title over to East, after a heartbreaking defeat by the Tigers. A pass from Vergetis to Brugman gave Lincoln six points. Vergetis converted for the seventh.

Lincoln 19

Pulaski 7

Using mostly B-Team men, the Lincoln Comets rolled over Pulaski 19 to 7 in spite of many injuries. Vergetis, Wright and Zuba scored. The extra point was scored on a pass over goal.

Lincoln vs. North

Lincoln forfeited to North in the last game of the 1948 season. The Comets were unable to play, due to the serious injuries received in the Pulaski game the week before.

VARSITY SQUAD

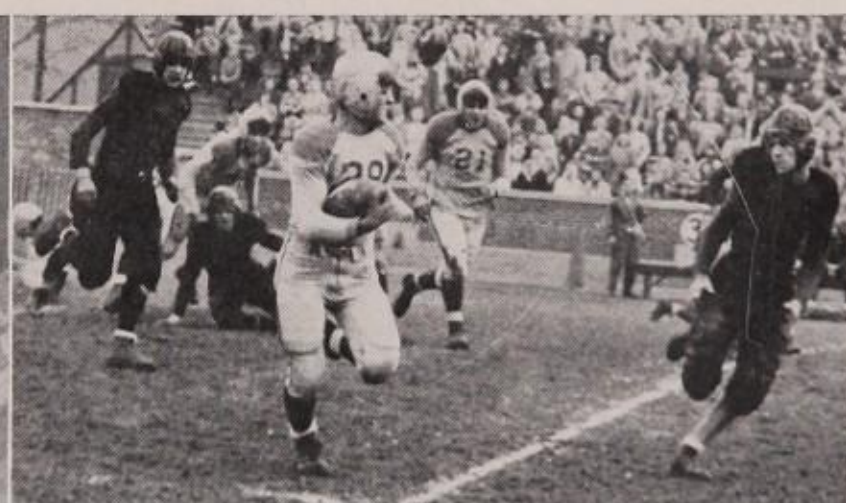

WHAT! NO B-TEAM?

The readers of the Quill may wonder where the B-Team picture is. It usually is located in this space. Questions like, "Is there no B-Team?" or "Did they forget to put the B-Team picture in?" may arise.

The answer to this is that the B-Team was so small that it was combined with the varsity squad. Some B-Team boys played in a few games during the season. They are posed with the varsity squad in the varsity picture.

CROSS COUNTRY

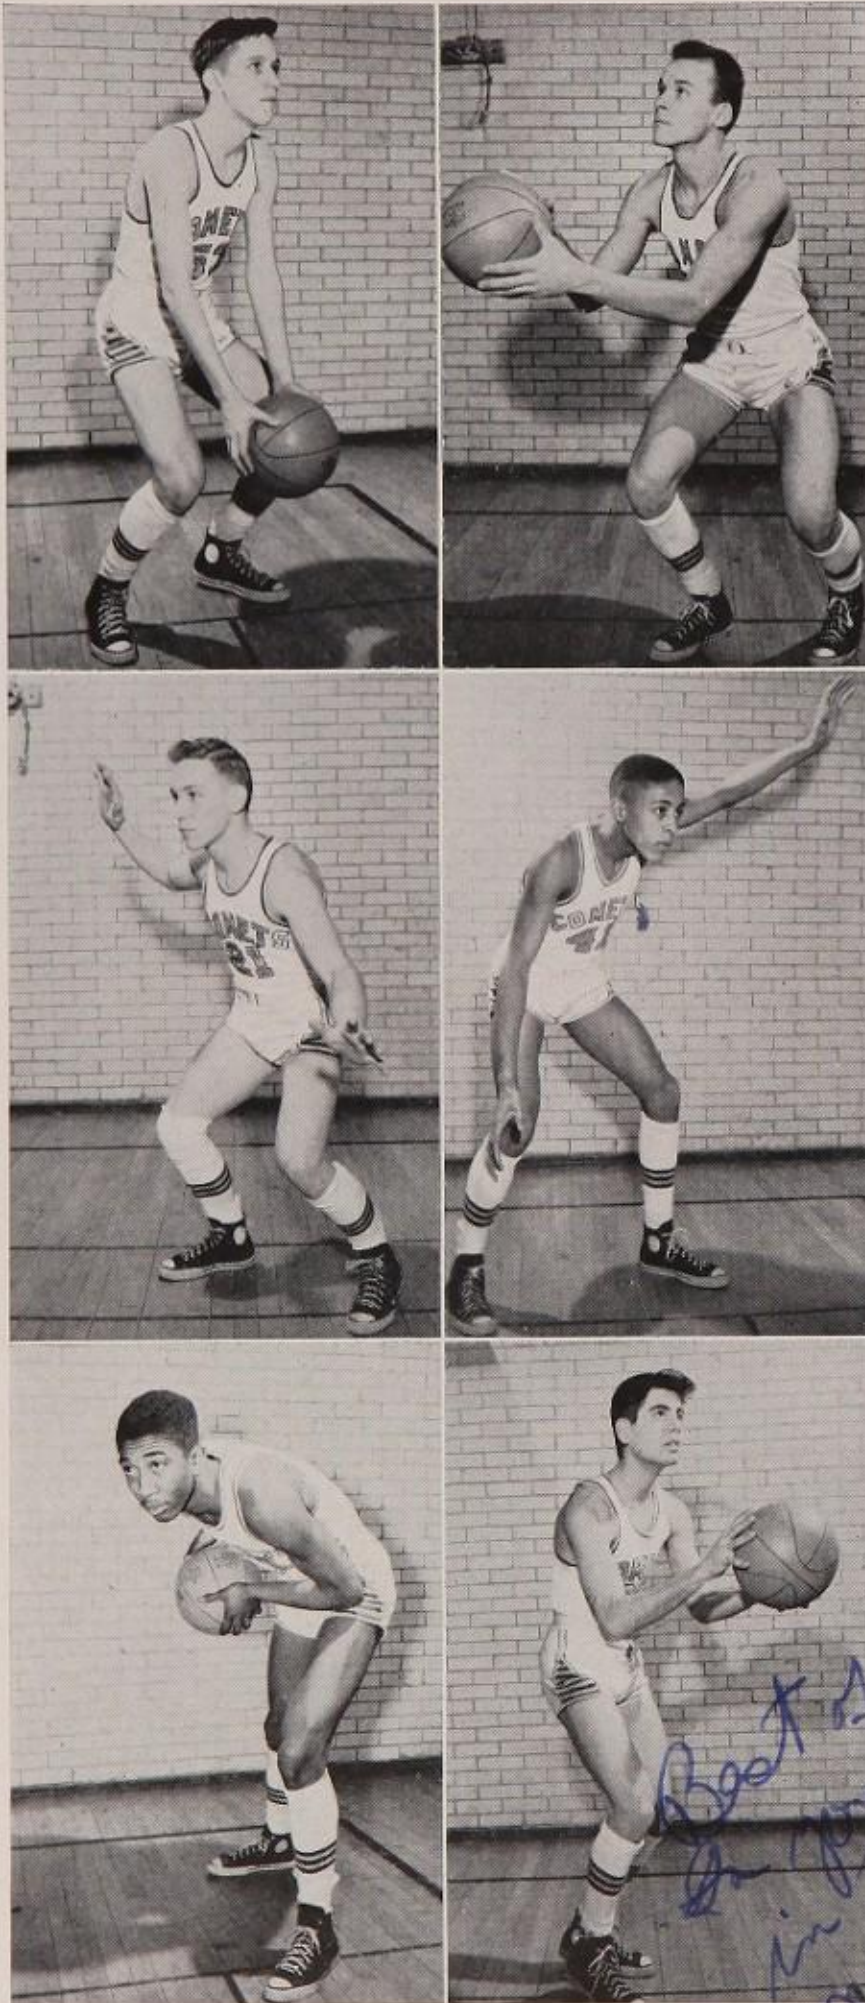

The Cross Country squad was a little green this season, with only one veteran member. However, they defeated North 28 to 31, and placed in other meets. Although the squad was handicapped by having only ten members, it did not wind up at the tail end of the final standings.

The squad produced four major-letter winners — C. Campbell, S. Marino, C. Washington, and A. Hegwood — and four minor-letter winners.

ROW 1: T. Bedner, P. Kleckley, G. Vascas, O. Boyers, D. Bender, ROW 2: Coach Foot, A. Sanfelippo, E. Brown, C. Campbell, A. Hegwood, C. Washington, S. Marino.

Lincoln turned up with an exceptionally good basketball team this year, almost good enough to be in the playoffs. At the beginning of the season, the outlook was very disheartening as the team was composed mostly of inexperienced players. Some of the players were still out for football and were slow in getting started.

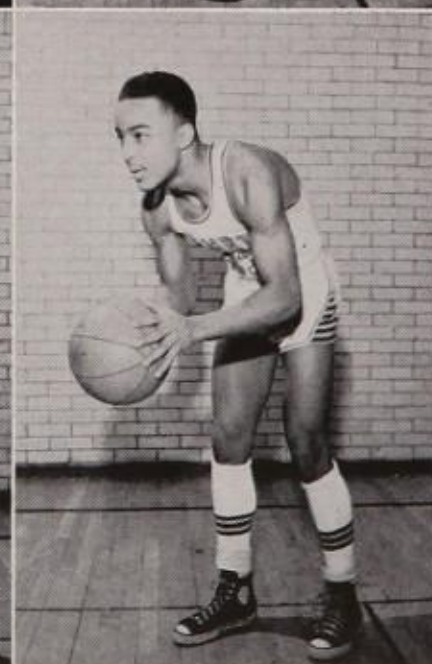

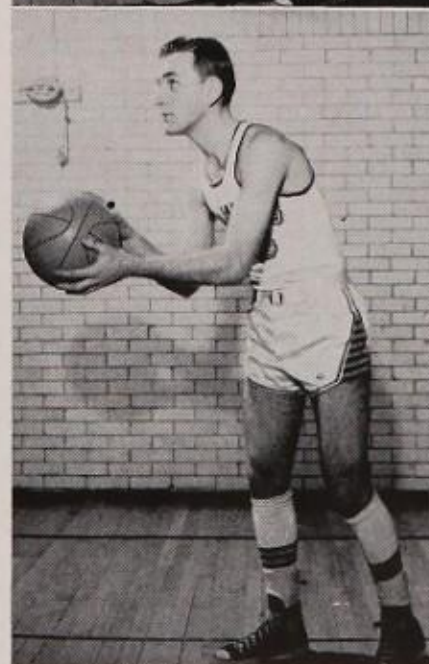

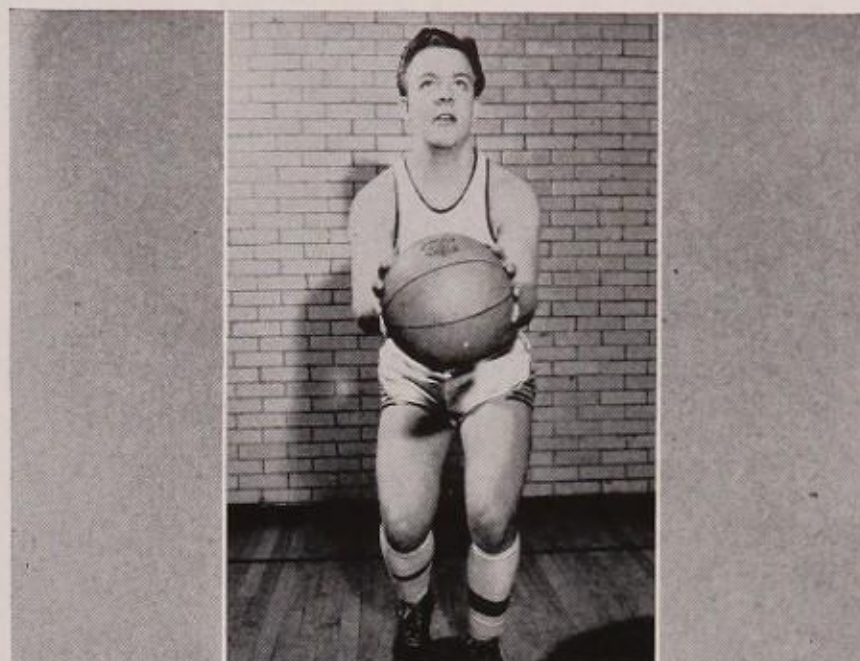

As the season progressed, the team showed all the signs of becoming a championship quintet. A ray of hope gleamed in the eye of every loyal Lincolnite. But like all good things it came to an end.

In the first game, the Comets fought hard, but lost to the Alumni by a close margin of two points. Our quintet lost to Messmer and Janesville, also. Lincoln ended its losing streak by beating Rufus King in the first game of conference season. The Comets won seven of the twelve conference games this season.

*Best of luck

SWIMMING

The Blue and Grey swimming team finished very well this past season, considering its meager size. In spite of the fact that the team was small, it won four of its eight meets. It took third place in the Little City meet and sixth place in the Big City meet.

In the State Meet, the Comets beat East, North, South, and Tech by tying Washington for eighth place. With the aid of Ed Schmeling, John Richter, Walter Schmeling, and John Jeffreys, the Comets came away with nine points.

Coach Dunlop hopes that more boys will be going out for swimming next year. He believes that a larger team next year will put Lincoln at the head of the conference race.

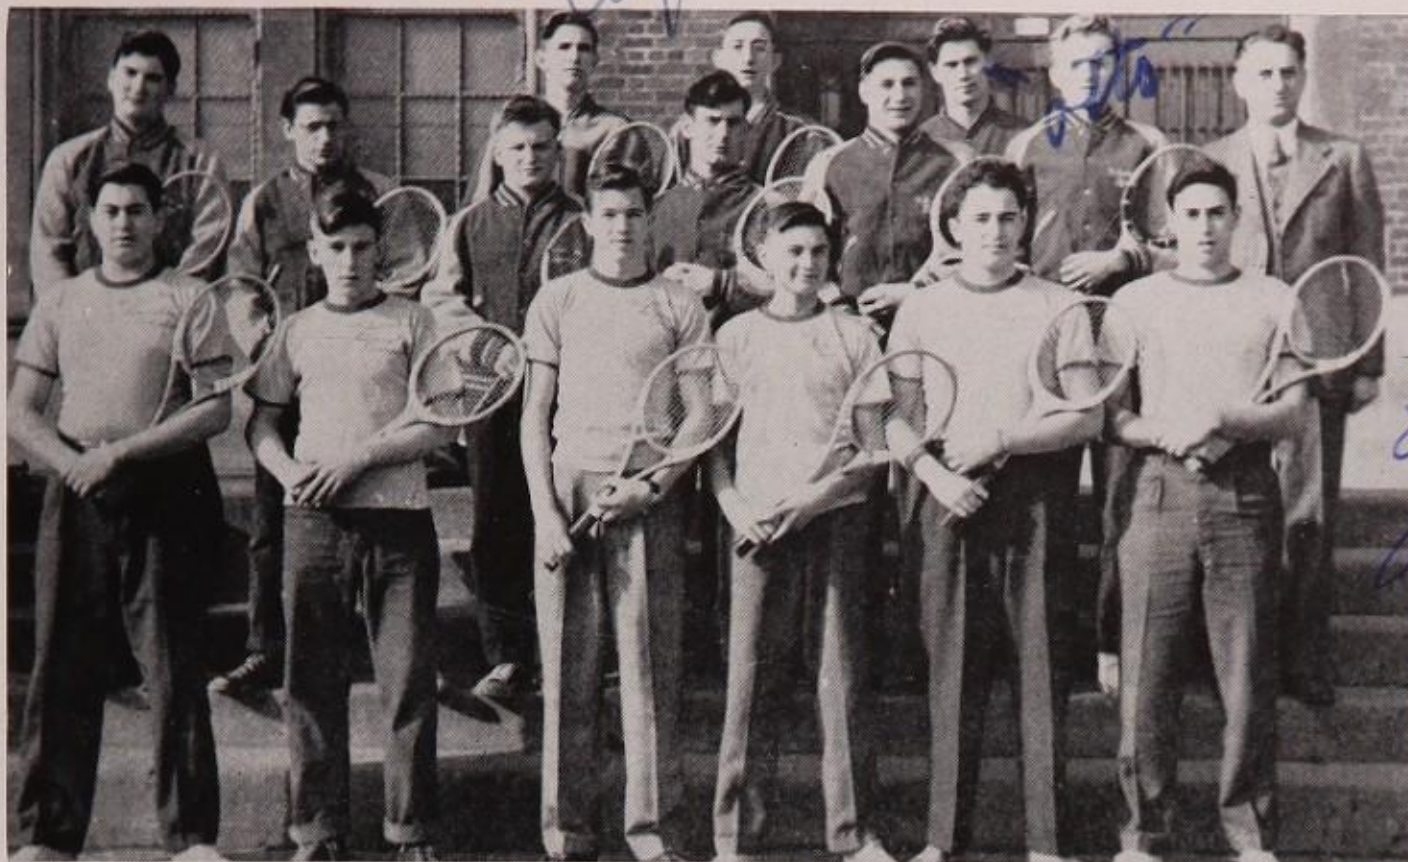

TRACK

The track season starts too late to have the final results printed in the Quill Annual. The large group of boys that went out for track will be sifted, and only those with good track material will remain on the team. Coaches Foot, Dunar, and Nell hope for a repetition of the track championship which Lincoln won several years ago. If the boys give the best of their efforts, it will not be too difficult to produce a championship team.

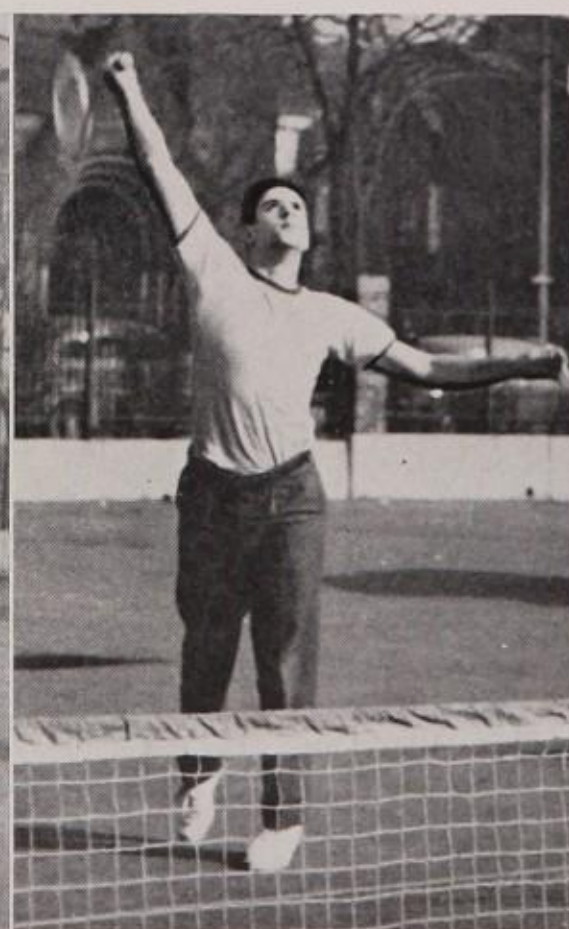

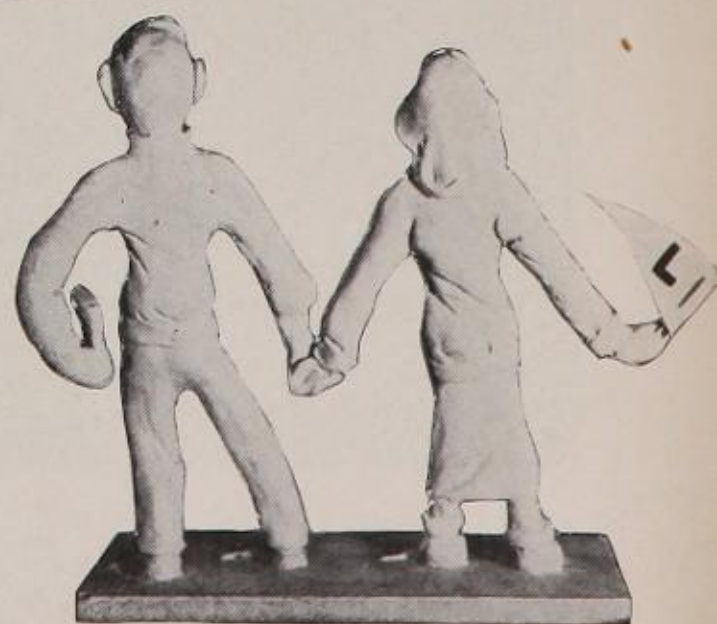

ROW 1: F. Bonfiglio, D. Pamperin, B. White, Elroy Thiel, Alex Meyer, J. Kahn, ROW 2: T. Black, R. Neilson, G. Korkos, T. Ricciardi, J. Jordan, C. Berger, Coach Wergin, ROW 3: C. Carpenter, C. Hartmann, J. Jeffreys.

TENNIS

Since the Quill goes to press before the Tennis team gets into full swing, the final results will not appear in print. The outlook is that Lincoln may turn up with a team of experts. The team is getting much practice, and under the careful training of Coach Wergin, it is coming along fine. The coach takes a personal interest in each player. This helps tremendously towards the development of a team.
